To :
The Commissioner,
APCRDA, Lenin Center,
Vijayawada-520002.

.....
Rc.No.101/DGFS/Peshi/2024, Dated: 19.12.2024.
.....

Sir,

Sub: A.P. State Disaster Response and Fire Services Department-MSB Section- A.P. State Disaster Response and Fire Services Department - MSB Section - Clarification on the Insisting of Survey or Plot Numbers in the Fire No Objection Certificates-Regarding.

* * * * *

It has come to the attention of the State Disaster Response and Fire Services Department that, the APCRDA (Andhra Pradesh Capital Region Development Authority) is requesting corrections or changes in Survey or Plot numbers on the Fire No Objection Certificates (NOCs) issued by the department.

In this connection, this department clarifies that it is responsible only for ensuring fire safety aspects in buildings, based on the building's occupancy category.

The Fire No Objection Certificate issued by the department pertains solely to fire safety regulations and does not involve land or property details such as Survey or Plot numbers.

The department has no responsibility or authority to validate or alter the Survey or Plot numbers. It does not have surveyors or revenue officials to decide the nature of land ownership (whether private, government, or forest land).

Additionally, the department does not possess maps or information on survey numbers to verify land authenticity.

The Fire No Objection Certificates issued by this department related strictly to fire safety standards, and should not be connected to land ownership details or Survey/Plot numbers.

For favour of information.

With regards,

Yours Sincerely,
